Historical Event
The Long March

In the grid you will find 12 surnames of influential people down the years. (one point for each found).

(they appear : forwards/backwards/upwards/downwards/diagonally : none of them overlap with another surname)

For an extra point state the country where each of them was born.

By re-arranging the first letters of the surnames you find, you will discover the name of a major historical event. (one point)
